

## **RUTHERFORD COUNTY ADMINISTRATION OFFICES CLOSURE MESSAGE**

We continue to work with county and state health officials to monitor the evolving coronavirus (COVID-19) pandemic. To help prevent the spread of the virus, effective immediately and until further notice, Rutherford County Administration Offices are closed to the public as of March 23, 2020. We understand packages will need to be delivered, departments will need access to mailboxes, and various other miscellaneous needs, so the protocol/procedure to enter the building is listed on outside doors.

Our staff is available via email, phone and other technological means, and will continue to assist you to the best of their ability. If you need to see a staff member, please email or call their office to make an appointment. Find contact information and details regarding Rutherford County at [www.rutherfordcountync.gov](http://www.rutherfordcountync.gov) or call 828.287.6060.

Please know that these changes are intended to protect the health and safety of our community while striving to provide the resources and services you need. We will continue to closely monitor the situation and act consistent with local, state and national recommendations.

We thank you for your patience and compliance as we navigate through the next few weeks. We are committed to continue serving and growing our community. Together we will see it through, one day at a time.

Feel free to call our office at 828-287-6060 for more info and updates as they become available. And above all, take the necessary precautions to keep you and your neighbors safe.
